Education

Bachelor of Technology - BTech · nitte mahalinga adyantaya memorial institute of technology   **May 2022 - Present**

information science

Education:
- Bachelor of Science in Information Science, Udupi, Karnataka
- Courses focused on machine learning, software development, and data analysis

As a passionate Information Science student from Udupi, Karnataka, I am eager to make a positive impact on humanity through my skills in machine learning and software development. Through my education, I have gained a strong foundation in these areas, equipping me with the necessary tools to contribute meaningfully to projects.

During my Bachelor of Science in Information Science program, I am actively pursuing courses that focused on machine learning, software development, and data analysis. These courses provided me with a solid understanding of the principles and techniques required to develop innovative solutions.
--Please do check my webite for projects and more details.--
Thank you
